

Memo must have the medical facility's seal and address at the top.

TO: Honoring America's Warriors

FROM: Medical Professional's Name and Office Location

DATE:

SUBJECT: Service Dog

RE: Service member's name

To whom it may concern:

The purpose of this letter is to indicate that (patient's name) is under my care for mental and/or physical health treatment. Based on their symptoms it is my professional opinion that they would benefit from having a service dog for support of these medical conditions.
